

NSDTR CLUB OF CANADA PERPETUAL TROPHY QUESTIONNAIRE

Through the generosity of members past and present we find ourselves with several wonderful perpetual trophies for presentation at each National Specialty. Due to a number of circumstances we are faced with having to reconsider how each perpetual trophy is to be handled from here on in. In particular, the Cyril Colwell BISS has suffered much damage over the years and is no longer fit for travel. Shipping from various parts of Canada and the US has also become an expense that we now need to consider.

Past and present executives have been discussing what should be done with these trophies, especially ones that have become fragile. It would appear that these trophies may have to be retired and either just be on display at National Specialty or else permanently housed somewhere, suggestion has been made of using the Yarmouth County Museum and Archives but nothing is yet settled and the matter is still under review by your current Club Executive.

Would you like the Perpetual Trophies to be on display at a public site between specialties i.e. Yarmouth County Museum and Archives in Nova Scotia?

YES	<input type="checkbox"/>	NO	<input type="checkbox"/>
-----	--------------------------	----	--------------------------

Would you be comfortable with the perpetual trophies available for pictures at the Specialty but the winner going home with a keeper trophy only?

YES	<input type="checkbox"/>	NO	<input type="checkbox"/>
-----	--------------------------	----	--------------------------

If the Club opted for keeper trophies, would you like to see the keeper trophy unique to each specialty i.e. be part of the design of each Specialty?

YES	<input type="checkbox"/>	NO	<input type="checkbox"/>
-----	--------------------------	----	--------------------------

Are you a member in good standing of the NSDTR Club of Canada?

YES	<input type="checkbox"/>	NO	<input type="checkbox"/>
