

Nova Scotia Duck Tolling Retriever Club of Canada Junior Member Scholarship Application

The NSDTR Club of Canada (NSDTRCC) has created a Junior Scholarship program to encourage young Canadians to take an interest in our breed and to participate in activities with their Tollers. **Two Scholarship awards of \$500 each** will be presented biennially in the year of a National Specialty, and at the National Specialty banquet when possible, to two successful candidates.

The applicant must be or have been:

- a Canadian Junior member in good standing of the NSDTRCC within the last three (3) years prior to this application date;
- if not presently a Junior member, must be a Canadian member in good standing of the NSDTRCC for at least 12 months previous to this application date;
- enrolled in a post secondary institution in September of the Award year; and
- must not have attained their 21st birthday on December 31 of the year of the award.

The applicant will write and submit a 1000 word essay describing the following:

- the significance now and in the future of having a Toller(s) in their lives;
- the activities they have been involved in with their Toller(s); and
- what they have done and what they plan to do to promote the breed in their community.

The essay will be accompanied by this completed application form and will be submitted to the NSDTRCC Secretary no later than midnight, **March 31st** of the award year. The essays will be judged by the Club Executive and the Scholarships will be awarded based on the merits of the essay and not necessarily on actual ribbons and titles earned.

The purpose is to encourage Juniors to participate in activities with their Tollers and not to judge Juniors solely on their success in competition. All submitted essays will be published in *Toller Talk*.

Application Form must accompany essay submission:

Name	
Permanent Address	
Present Address (if different than above)	
Birth Date	
School/College/University	
Area of Study
